Section 1: Family Information

DEPENDENT STUDENTS – Students are required to report parent information on the FAFSA

List the people in your household, including: (attach a separate sheet of paper if you need additional space)

- Yourself and your parent(s) even if you do not live with your parent(s). If your parents were married to each other or are not married to each other but live together, list both below. If your parents are divorced, indicate the parent who provided more than half of your support during the last twelve months. This should be the same person whose information was provided on the FAFSA. If your legal parent has remarried, list your legal parent and stepparent below.
- Your parent(s) other children, if your parent(s) will provide more than half of their support from July 1, 2026-June 30, 2027 or if the other children would be required to provide parental information on their 2026-27 FAFSA. Do not include siblings in a graduate or professional degree program.
- Other people if they now live with your parent(s) and your parent(s) will provide more than half of their support and will continue to do so from through June 30, 2027.

Verification of 2024 Income Information for Parent Tax Filers

Important Note: The instructions below apply to each parent (or stepparent, if applicable) included in the household. Notify the financial aid office if the parents filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

Instructions: Complete this section if the parents filed or will file a 2024 IRS income tax return(s). As part of Federal student aid eligibility, parents will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the parents filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2024 income tax return information for the parents was not transferred via the FA-DDX and considered verified, the parents should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

A 2024 IRS Tax Return Transcript may be obtained through:

- Get Transcript Online – Go to www.irs.gov, click "Get Your Tax Record." Click "Sign in to your online account." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." Follow the instructions to create an ID.me account if you do not already have one. If you need help creating an ID.me account or verifying your identity, visit the ID.me IRS Help Site.
- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- Automated Telephone Request – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.

Individuals Who Filed Non-IRS Income Tax Returns

- A tax filer who filed an income tax return with a tax authority other than the IRS may provide signed copy of his or her income tax return that was filed with the relevant tax authority. However, if the institution questions the accuracy of the information on the signed copy of the income tax return, the tax filer must provide the institution with a copy of the tax account information issued by the relevant tax authority before verification can be completed.
