

# Kids COLLEGE

## 2025 Catalog

(419) 559-2255

2830 Napoleon Rd., Fremont, OH 43420

## Monday, July 14 - Thursday, July 17

For the past 29 years, Kids College at Terra State Community College has enriched the lives of over 5,000 children through engaging academic programs! Kids College offers a fantastic opportunity for students entering 1st through 8th grade to make new friends and experience a college campus firsthand. Our yearly offerings span a diverse range of subjects, including creative arts, science, technology, fitness, and fun! We encourage families to register students for the grade they will be entering in the fall.

Terra State is deeply committed to fostering an inclusive environment at Kids College, believing it equally benefits typically developing children, the entire camp community, and children with disabilities. We believe that shared experiences are invaluable in helping young people develop a greater understanding and appreciation for the unique strengths and abilities of all their peers. Just like every child, those with disabilities are eager to explore and enjoy activities such as sports, music, art, nature, and history.

To ensure a positive and safe experience for all participants, Kids College welcomes children with a wide range of physical, verbal, social, and cognitive differences. We strive to make reasonable accommodations to support their participation. However, please understand that our Kids College instructors are not specifically trained or staffed to provide dedicated one-on-one attention or critical personal care. Therefore, for campers who require this level of support, we respectfully request that a Parent, Guardian, or Professional Caregiver accompany the child during their time on campus. Kids College classes meet Monday-Thursday (4 days). Each class runs 45 minutes.

Following registration for KidsCollege, a detailed confirmation will be emailed to your home. *Please be advised that you will be required to be with your child at sign-in and sign-out each day and show a photo ID to sign-out your child.* Parents or Guardians are welcome to encouraged to visit any class their child is attending.

Also, we are looking for **volunteer classroom assistants** for all Kids College courses. There will be one classroom assistant spot for each class. If you are interested in this volunteer opportunity, please email us at [learn@terra.edu](mailto:learn@terra.edu) with your name, what class(es) you would like to volunteer in and a phone number for us to call with more information. If you are a student, your parents will need to send the requested information with permission for you to volunteer. Classroom assistants will receive a certificate of appreciation at the end of the week.

***Payment must be made at the time of registration. We will not hold spots without payment.***

***Fees can be paid by cash, credit card or online at: [learn.terra.edu](https://learn.terra.edu).***
